## **\*\*\*\*\*2021 Member Referral Program\*\*\*\*\***

Any existing 2020 Member has an opportunity to save money on their 2021 Membership by bringing a new member to Glen Brook for 2021. The existing member will receive 50% off their membership (\$400.00) for each new member they bring to Glen Brook. In the difficult times which we are all experiencing, golf has been proven to be a safe alternative to many other activities. This is a great opportunity for every existing member to save money on a membership and get others to experience how great our membership is. A New member is considered someone who has not been a golf course member in the past 3 years.
